

MY JOHNNY IS A SHOEMAKER

My Johnny is a shoemaker
And he has gone to sea
My Johnny is a shoemaker
And he has gone to sea
To heave the top-sail he has gone
Far across the raging sea

His jacket is a deep sea blue
And golden is his hair
His jacket is a deep sea blue
And golden is his hair
This I know and I do declare
My Johnny is a shoemaker

A captain he'll be by and by
With a brave and gallant crew
A captain he'll be by and by
With a sword and a musket too
This I know and I do declare
My Johnny is a shoemaker

My Johnny is a shoemaker
And he has gone to sea
My Johnny is a shoemaker
And he has gone to sea
To heave the top-sail he has gone
Far across the raging sea
